What does your local district PTA do and why join?

What does the PTA do?

The goal of the Blue Heron PTA is to enrich the lives of students in our school by supporting:

- Programs in music, art, and PE
- The library
- The cafeteria and quality food-service programs
- Teachers – providing quick small grants of money so teachers can purchase supplies without using their own personal funds
- Other organizations working to the same goal – like the Port Townsend Education Foundation and ASB (our student leadership)

What else? We welcome new ideas for how our community can better support our school!

“On the ground” support for our students and school

By being available every day at school, we can tune in and look for ways to support this learning environment. From providing small grants to teachers, to providing healthy snacks during testing (feeding brains and bodies!), to filling volunteer spaces when our teachers or administrators need extra hands – PTA is committed to supporting our school so that our kids have a great experience here.

How to join the PTA

Your membership to Port Townsend PTA I (PT PTA)s good for one school year (so if you signed up last year, you need to join again this year). You can join by writing a check to “PT PTA” for \$15 and that covers all schools. Of course, if you’d like to contribute more, we certainly welcome additional funds. Regardless of how much you give, we commit to using your funds wisely and to collaborate with other organizations (like ASB, PTEF and others) to assure that our resources are leveraged together to the best outcome for our schools.

Membership fee is \$15 per household

Sponsorships welcome

Green - \$10 & 20 hours of volunteering
Blue - \$20 & 16 hours of volunteering
Purple - \$40 and 9 hours of volunteering

Gold - \$175 provides membership to 4 teachers
