TEACHER REPORT:

INQUIRY:

With our inquiry work focused on planning/designing our school's production garden, we will be taking a field trip next week (Tues, Oct. 29th, 8:20-11:30am) to Finnriver and Red Dog Farms. We are planning to ask questions and gain knowledge on how to successfully plan our own production garden. Students will also build models in-class. Email Cherry by Friday if you are cleared and would like to chaperone.
