Let's Celebrate Valentine's Day in OPEPO

We've made it through Missoula Week and it's time to celebrate friendship. If you'd like to make valentines to hand out (optional), please be sure to make one for each student. An easy tip is to leave names off, except for yours, as we have many friends. If you'd like to put names on them, please organize by grade level for ease of passing them out.

Please, no candy **Bring a big paper bag for cards**

Families, if you'd like to donate healthy snacks, please send them to school with your child or drop them off on Thursday, February 13th, before lunch. Thank you!

February 3, 2020

Parents of Salish Coast grades 4 and 5 students and OPEPO grades 3-5 students:

Students in OPEPO grades 3-5 and all other Salish Coast 4th and 5th grade students have begun working on a musical play called, The Principal and the Pea, that they will present in a public performance on **Wednesday evening, March 25th at 6:30 p.m. in the Salish Coast gymnasium.** All students are learning the songs that make up the main part of the show. Students will also have the opportunity to audition for special speaking or acting parts, with the auditions and rehearsals all taking place during music class time during the school day.

In order to be sure that these parts are assigned to students who will be present for the evening performance, I am asking parents to sign and return the bottom portion of this attached letter to their classroom teacher, if your son/daughter wants to audition for a special speaking or acting part. You do not need to return it if the student would prefer to simply sing in the choir with everyone else. I look forward to seeing you at our performance in March!

Thank you,

Kim Clarke
